WE T NEED YOU.

DAWN.

Why didn't you just kill me?

You don't fear death. You welcome it.

Don't Worry

Your punishment is to be More Severe

You thought Gotham was built to keep monsters out?

It wasn't.

It was built to keep voices in.

People like you.

Keep walking with him...

...and I'll make sure you don't feel it next time.

Nothing.

That's how Gotham survives.

The clown understands that.

We don't need to fight Heaven.

We just need to outshine it.

Now stay away.
